SUMMARY

UI/UX Designer and Product Designer with 1.5 years of professional experience across end-to-end product design, enterprise dashboards, CRM interfaces, and marketing websites. Proficient in Figma, Framer, and AI-assisted design workflows (Claude, Figma AI, ChatGPT). Skilled in user research, wireframing, prototyping, interaction design, usability testing, and design systems. Experienced collaborating with cross-functional teams to deliver user-centred, high-fidelity designs aligned with business goals.

WORK EXPERIENCE

UI/UX Designer *Jan 2026 - Jul 2026*
Centralogic — Pune, India

- Led end-to-end UI/UX design for the **Centralogic landing page** and **FAQs** section using Relume, ChatGPT, and Figma.
- Designed **responsive UI** for the **Rheora website** with rapid prototyping using Framer AI.
- Designed **CRM and internal dashboards for Huhoka**, applying enterprise UX principles and maintaining design systems in Figma AI.
- Created graphic design assets including slide decks, brochures, email templates, quotations, and brand documentation.

UI/UX Designer *Mar 2025 - Sept 2025*
CyberWaves (Varuna Marine Services) — Remote, India

- Led end-to-end product design for websites, dashboards, and a mobile app — from user research to high-fidelity UI.
- Built design systems and brand guidelines using AI-assisted workflows with ChatGPT, Figma AI, and Framer AI.
- Conducted market research, defined user flows, and collaborated with developers in an agile workflow for smooth handoff.

EDUCATION
